PROFESSIONAL SUMMARY

Web & Digital Solutions professional with experience in **website development, CMS management, UI/UX design, system prototyping, AI-assisted development and digital platform support.** Experienced in **WordPress Elementor, SiteGiant, Visual Code Studio Code (VS Code), HTML, CSS, and Figma**, with hands-on experience developing **responsive websites, testing web interfaces** and implementing digital platforms. Able to translate user and operational requirements into structured digital solutions, while supporting **AI-assisted innovation, testing, troubleshooting, documentation** and **cross-functional collaboration.**

PROFESSIONAL EXPERIENCE

Newton Research & Development Centre | Digital & Web Developer

Dec 2024 - Oct 2026

• Developed and maintained the multi-page **TG PowerWrap corporate website** using **WordPress Elementor** to support digital services and improve online **corporate information delivery.**
• Used **HTML** and **CSS** to customise **WordPress websites, enhance front-end functionality**, and manage corporate websites across multiple subsidiaries, including **Thong Guan, Newton R&D Centre, TG Packaging Solutions,** and **TG PowerWrap.**
• Applied **UI/UX** principles in website development to improve **user navigation, interface consistency, responsive layouts** & overall **user experience** across multiple subsidiaries.
• Created and refined **web page layouts, navigation structures** and **front-end elements** as part of daily website management to improve **usability and content accessibility.**
• Supported **digital transformation artwork** initiatives by enhancing internal **web interfaces design**, developing digital documentation, and delivering **user-focused digital solutions** using **Adobe Creative Suite.**
• Leveraged AI tools, including **OpenAI(ChatGPT), Gemini, Google AI Studio, Google Antigravity, Adobe Firefly AI and Google Flow,** for development, artwork, ideation and workflow optimisation.

CK Lighting Sdn Bhd | E-commerce Web Developer

May 2023 — Nov 2024

• Managed and maintained **e-commerce website** content using **SiteGiant CMS,** including product listings and digital assets.
• Developed **responsive web layouts** for desktop and mobile platforms, ensuring consistent user experience.
• Customised website interfaces, including **banners, icons, product visuals and page layouts**, using **AI-assisted tools** to meet business requirements and enhance visual consistency.
• Supported **website and e-commerce** content updates, collaborating with marketing teams to implement digital campaigns.
• Managed **product listings and digital assets** through **SiteGiant CMS,** ensuring accurate and consistent online product information.
• Managed and optimised **Shopee and online** storefront visual content, including product images, banners and promotional materials.

Raxbit Smart Solution Sdn Bhd | Digital Marketing Executive

April 2022 - April 2023

• Designed various creative materials including **digital design works, banners, brochures, packaging, and business cards** for both print and digital platforms based on company and client requirements.
• Developed brand identity assets such as **logos and social media cover designs,** ensuring visual consistency and strong audience engagement.
• Managed social media content creation for 6 businesses, including **promotional visuals, copywriting, and content writing** to strengthen brand presence.
